Tuition Fees and Levies – 2021

The College charges Tuition Fees and Levies for all students. The Levies are set for the period of the academic year and are not calculated on a *pro rata* basis. Fees are payable within 14 days of the beginning of Term 1 each year. As a courtesy to parents, we offer payment plans for fees so parents can budget effectively.

Families may choose one of the following options:

1. Payment of full balance of account within 14 days of the beginning of Term 1. **Note: 5% Early Bird Discount applies to accounts paid in full on or before 12th February 2021.**
2. Payment of equal weekly, fortnightly, monthly or quarterly direct debit deductions to cover the total balance of account. Payment should be made through 'FACTS', which is accessed via PCSchool Portal login. Families will be provided with login instructions. (**Note:** Should you withdraw your child at any time during the school year, the remainder of the Capital Levy and Year Levy would be due for immediate payment. Please refer to our Terms and Conditions point 5 on the College web-site regarding Notice of Withdrawal).

If any Direct Debit Deductions dishonour, a \$15 dishonour fee is incurred, and it is the responsibility of the family to remake the payment before the following fortnight's deduction.

Balance of family accounts should be cleared by 27th November 2021 unless you are on a payment plan that has been approved by the College prior to this date. Please refer to our Terms and Conditions on the College website.

Families may elect to have an approved payment plan with the College to pay off their fees across the year, subject to the College approval. The Capital Levy and Year Levy are billed Term 1.

- Late payment fees will be applied to outstanding accounts.
- Annual payment of fees can be made by cash, cheque, credit card (Visa, MasterCard), EFTPOS and direct debit. Weekly, fortnightly, monthly or term payments are to be made through FACTS. Please login through the PCSchool Portal. You will be provided with login instructions.
- Ongoing student enrolment/position is dependent on full payment of fees in the current year or an approved arrangement made with the Business Manager.

Withdrawal of Students

There are times when crisis or sudden changes to circumstances force families to leave the district at short notice. The College is sensitive to families at such times. There is, however, a need for the school to be given fair notice of departure to allow time for resource, staff and administrative adjustments.

Therefore, the College requires written notice to the Business Manager by the last day of the term which precedes the student's final term of attendance. The College will inform you of the balance of fees owing and adjust direct debit payments to finalise your account.

Only Tuition Fees will be reversed on receipt of notice. Fees such as the Year Levy and Capital Levy will not be reversed as these are not charged per term.
